## MACS has friends in China

Posted on [October 25, 2010](#) by [macsworldwide](#)

3 Votes

MACS board member, Michael Dawson of T/CCI Mfg. LLC recently visited Shanghai, China for the China International Automotive Air Conditioning (CIAAR) show. Mike has been MACS ambassador to the CIAAR show for several years and he has been honored by show officials with helping to cut the opening ribbon.

You can see a clip from Mike's visit to the CIAAR show by [clicking here](#).

Several exhibitors from the CIAAR show will visit the 2011 MACS Convention and Trade Show, January 27-29, 2010 at Disney's Coronado Springs Resort, Orlando, FL. [Click here](#) for all the convention details.

[T/CCI Mfg. LLC](#) has been a MACS member since 1989.

*When having your mobile A/C system professionally serviced, insist on proper repair procedures and quality replacement parts. Insist on recovery and recycling so that refrigerant can be reused and not released into the atmosphere.*
